TWO BOYS IN WYOMING: A TALE OF ADVENTURE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You should have seen those youths, for it gives me pleasure to say that two manlier, more plucky and upright boys it would be hard to find anywhere in this broad land of ours. I have set out to tell you about their remarkable adventures in the grandest section of the West, and, before doing so, it is necessary for you to know something concerning the lads themselves. Jack Dudley was in his seventeenth year. His father was a prosperous merchant, who intended his only son for the legal profession. Jack was bright and studious, and a leader in his class at the Orphion Academy; and this leadership was not confined to his studies, for he was a fine athlete and an ardent lover of outdoor sports. If you witnessed the game between the eleven of the Orphion Academy and the Oakdale Football Club, which decided the championship by a single point in favor of the former, you were thrilled by the sight of the half-back, who, at a critical point in the contest, burst through the group which thronged about him, and, with a clear field in front, made a superb run of fifty yards, never pausing until he stooped behind the goal-posts and made a touchdown.
