Moses - The baby in the basket, the burning bush, the plagues of Egypt, the parting of the Red Sea, the manna from Heaven, the 40 years in the Wilderness, the ten commandments. By any standards Moses life was an interesting one. He led his people from slavery in Egypt to the promised land - facing famine, hostile tribes and a rebellion and doubt from his own people along the way. If ever there was a life that is worth studying then Moses is it. Helpful notes bring the significance of these chapters into focus, and speak clearly to us today. Geared for Growth study materials encourage: A Daily Encounter with God: Your 10-15 minutes each day will strengthen the impact of God s word on your daily living. Group learning and sharing: Meet weekly in a small group, share your answers and be enriched as you learn from others. Spiritual Growth: You will be challenged to put God s Word into practice. Others will feel the impact as you obey, grow and mature. Church Growth: Introduce people to Spiritual reality. Your study group could be the stepping-stone for others coming to faith.
