University of Notre Dame Press. Hardcover. Condition: New. 216 pages. William C. Hacketts English translation of Jean Wahls Existence humaine et transcendance (1944) brings back to life an all-but-forgotten book that provocatively explores the philosophical concept of transcendence. Based on what Emmanuel Levinas called Wahls famous lecture from 1937, Existence humaine et transcendance captured a watershed moment of European philosophy. Included in the book are Wahls remarkable original lecture, the debate that ensued, with significant contributions by Gabriel Marcel and Nicolai Berdyaev, as well as letters submitted on the occasion by Heidegger, Levinas, Jaspers, and other famous figures from that era. Concerned above all with the ineradicable felt value of human experience by which any philosophical thesis is measured, Wahl makes a daring clarification of the concept of transcendence and explores its repercussions through a masterly appeal to many (often surprising) places within the entire history of Western thought. Apart from its intrinsic philosophical significance as a discussion of the concepts of being, the absolute, and transcendence, Wahls work is valuable insofar as it became a focal point for a great many other European intellectuals. Hackett has provided an annotated introduction to orient readers to this influential work of twentieth-century French philosophy and to one of its key figures. Augmented by William C. Hacketts comprehensive introduction to Jean Wahl and his summary of Wahls seminal Human Existence and Transcendence, we now have Wahls most important writings in English. The book presents the well-known ideas of transascendence and transdescendence and, in so doing, highlights the relevance of Wahls philosophy of transcendence today. Remarkable for its anticipations of later French thought, Wahls work provides a key to much of what remains hidden in the tradition of twentieth-century French thought. Leonard Richard Lawlor, Edwin Erle Sparks Professor of Philosophy, Penn State University This...
