Faster than a speeding butterfly, more powerful than a gust of wind, able to down tall martinis in a single gulp. Look! - Out on the lake Its a sail Its a boat Its Capm Jim! (Who, disguised as a mild mannered corporate employee, fights the never ending battle for truth, free-time and a little excitement.) Some people have a knack for attracting adventure, like lightening striking one boat out of the fleet, leaving the others unscathed. Capm Jim is one of those people, an unassuming character with a thirst for excitement and real dry martinis. A guy who challenges your abilities and tries your patience by getting you into situations that are outside of your comfort zone; yet, somehow ends up being the catalyst for a learning experience about things that, normally, would have passed unnoticed. Not that he intentionally tries to teach by experience or even learn from it for that matter, its just how things turn out when he gets mixed up with liberal amounts of water. Its just dumb luck I guess. The adventures of Capm Jim is an amusing, informative and color illustrated collection of anecdotal short stories. This item ships from La Vergne, TN. Paperback.
