Life can be so fast-paced that we often forget to stop and smell the roses. Meanwhile our health, wellness, finances, relationships, education system, faith and values seem to be less of a priority. In the journal, there are topics we can focus on as we begin to live life to the fullest. Your New Year s Resolution does not have to start on January 1st. It can start NOW. Let s all strive to do better, change our lifestyles, and ultimately change our lives TODAY. The change starts with you!.
