I m in my car; my mission is to get groceries. My thoughts shift. The Force is calling. A two-toned red and green car crosses the intersection in front of me. The Force must want me to see something special. I look wildly at people walking and driving, at the colors of their clothing, the expressions on their faces, anything that might give me a clue to my next move. I become more and more frantic as I can t locate what the Force is trying to tell me. Then I see a solid red car and know that means to stop. I pull over to park and wait for the Force to tell me what to do next. I need the Force to direct me where to go or not to go, something, anything. I follow, turn, stop, see a person walking wearing blue. I look up at the sky to see if a message is written up there. Finally, without groceries, I get back home. Over 20 years ago, Louie Keyes entered a mental institution with a life sentence and a diagnosis of paranoid schizophrenia. He was responsible for murder and bringing unspeakable pain into many lives. In the institution, he kept asking, What happened? What happened? Actually, he knew what happened; what he didn t know was how he went from being a child who wanted to help others to being the kind of person who could kill someone. He wanted to try to trace his road to mental illness and to the crimes he committed. Later he realized that he wanted to build a new road to recovery. Quieting the Chaos: Organizing Disorganized Thoughts is...
