Tughra Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Emphasising the character of the religion of Islam as consisting of faith and practice, this book analyses thoroughly the five most important pillars of Islam that form the core of Islamic life, namely the profession of faith, the prayer, which is the first practical manifestation of faith, fasting, charity, and pilgrimage to Mecca. Explaining lucidly the necessity of fulfilling these pillars of Islam with the intention of pleasing God and purely for His sake, the author gives us insights into the moral, spiritual, psychological, physical, individual, and social aspects of these five central practices of Islamic worship in the context of our modern age of globalisation.
