Brand New Book ***** Print on Demand *****.For months, Northern Michigan has been quarantined from the rest of the world. Thousands of zombies roam the shores of Lake Huron. A virus has decimated crops, tainted the water supply, and rendered the local game inedible, making humans the only reliable food source within a hundred miles for the living and undead alike. Short of wiping the Midwestern United States from the face of the Earth, the government doesn't have many options, and the chances of survival for the uninfected are grim. Angus, Marina, Nun, and Haley-four survivors in the quarantine zone with intersecting paths-have plenty to keep them occupied. And then a new evil arrives. His name is Paul Bunyan, and he's about to make things a lot worse.
