Not Avail. Paperback. Condition: New. Dimensions: 9.0in. x 6.0in. x 0.6in. Civil society flourishes when its people - young or old, black or white or brown - can trust that justice will be dispensed without fear or favor. The United States is only about 5 percent of the worlds population, but it is home to 25 percent of the world prisoners. The American criminal justice system presently is broken, and an example of justice run amok. The system has deteriorated to a point whereby innocent people are being imprisoned even with the lack of sufficient evidence. For the real criminals, punishments are often not commensurate with the crime. Presently, many non-violent offenders serve more time behind bars than murderers, rapists, and armed robbers. Consequently, the criminal justice system does more harm than good - destroying lives, shattering dreams and crushing hopes and aspirations for happiness. Under normal circumstances, obeying the law is enough to shield anyone from trouble. Unfortunately, the current dispensation is hardly normal and being careful in private or public life does not insulate against being caught in the cobweb of the numerous laws and regulations that are the hallmarks of the criminal justice system. Unwarranted arrests, police brutality and senseless prosecutions are a commonplace to the extent that the countrys legal system is teetering dangerously towards a precipice. To say the least, in America, the fear of prosecutors is the beginning of wisdom. Prosecutors have enormous power and discretion to pick and choose who goes to jail and who does not. They take to the extreme the dangerous impulse to punish perceived offenders - real or imagined. Although, lawmakers can do more to remedy the situation, because of political expediency, the legislative arm of government continue to enact laws and regulations that criminalize harmless acts. There is no...
