Build a convertible bunk bed constructed of PVC pipe for your 18-inch doll, including fabric-covered mattresses and the option of separating the bunks into twin beds! This PDF project book includes instructions to build a bunk bed just like you remember from summer camp featuring two stacked beds, each with its own fabric-covered foam mattress. A bit narrower than the traditional twin bed and simple in design, this bed is perfect for a camp cabin or a smaller living space, especially since you can sleep two dolls at once! Simply unzip the cover, remove the foam and toss the cover in the wash! Neat boxed corners on the cover add a realistic touch, with plenty of full color photo instructions to guide you through the construction process.
