SIMPLE LIVING IN A COMPLEX WORLD (PAPERBACK)

Trusted Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A runaway go-cart. A pet pig. A pink-haired preacher. God used each one of these to show the author that stress-filled, complicated living isn't part of the divine plan. Simple Living in a Complex World takes us to the heart of following God's view of living. Simple living doesn't mean we have to live with less, just that we can be contented without the rat race of getting more. Through humorous real-life stories the author gives nine observations about how to live life in a simple way. Moving from the city to the country provided many opportunities to experience life in a very simple but dynamic way. Changing from preacher to preecher was more than just southern accent; life changed!.
