

## Therapeutic Modalities in Rehabilitation, Fourth Edition (Hardback)

By William E. Prentice

McGraw-Hill Education - Europe, United States, 2011. Hardback. Condition: New. 4th edition. Language: English . Brand New Book. Comprehensive Coverage of Therapeutic Modalities Used in a Clinical Setting A Doody's Core Title for 2015! Therapeutic Modalities in Rehabilitation is a theoretically based but practically oriented guide to the use of therapeutic modalities for practicing clinicians and their students. It clearly presents the basis for use of each different type of modality and allows clinicians to make their own decision as to which will be the most effective in a given situation. Presented in full color, the text describes various concepts, principles, and theories that are supported by scientific research, factual evidence, and experience of the authors in dealing with various conditions. The chapters in this text are divided into six parts: Part I--Foundations of Therapeutic Modalities begins with a chapter that discusses the scientific basis for using therapeutic modalities and classifies the modalities according to the type of energy each uses. Guidelines for selecting the most appropriate modalities for use in different phases of the healing process are presented. Part II--Electrical Energy Modalities includes detailed discussions of the principles of electricity, and electrical stimulating currents, iontophoresis, and biofeedback. Part III--Thermal Energy Modalities discusses those modalities...

### Reviews

*This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
