Yet it will be more than you ever imagined it could be. Through this book we want to help guide you in understanding and embracing God s goodness for your life. By shattering misconceptions and redefining concepts, we will show you how to bring healing and transformation to your life in the most unexpected way. Join us as we explore God s promises and will for us as believers. Maybe you have felt a more fulfilled life exists just outside of your reach. Or possibly you have sensed that God has more in store for you, but you are unable to acquire it. Wouldn t it be nice if we understood and could unlock whatever is hindering these blessings? Or, perhaps we never claimed what rightfully belongs to us. If you have felt any of these things you are not alone. Many people feel the very same way. Through these pages, we want to help you examine yourself and see what God wants to develop in your life. As we journey closer in our relationship with Jesus, we begin to see His goodness unfold in our lives, and we want to help make this a blatant reality in your life. Too often Christians start from a perspective of unbelief or doubt. This is contrary to the Word of God. By changing our position and therefore challenging our opinions we begin to understand why God wants to bless us.
