The Adventures of WonderBaby From A to Z

By Oliver Chin

Immedium. Hardcover. Condition: New. Joe Chiodo (illustrator). 32 pages. Dimensions: 6.9in. x 6.8in. x 0.7in. The book is beautifully illustrated. The colors are bright and vivid, and the pictures are simple and straightforward. Each illustration has a small ladybug somewhere, which will keep searching toddlers entertained. I think this book succeeds on many levels. While teaching the alphabet, each letter can teach a new animal, as well as a new verb. And most importantly the text and illustrations are interesting enough that you won't go out of your mind the 8th time you read the book in a 30-minute span! So if you're looking for a great A-B-C book be sure to check out Adventures of WonderBaby. - SuperCoolBaby It's a really cute concept, a baby teaching the alphabet with some superhero elements thrown in. - ComicCons The PULSE Faster than a speeding bulldog, more powerful than a loco mole and able to leap tall building blocks in a single bound. . . comes WonderBaby! Like attention-getting infants everywhere, this tyke displays a growing collection of abilities. But what makes WonderBaby unique is that he embodies all the powers of the wild kingdom. For every letter of the alphabet, WonderBaby transforms into a different...
