# 13 BUILDINGS CHILDREN SHOULD KNOW

Hardback. Book Condition: New. Not Signed; Children's fascination with buildings is a natural outgrowth of their curiosity about anything strange or huge or complex. This unique book brings together thirteen architectural wonders that have intrigued children for years. Through activities such as games, quizzes, drawings and other activities, it teaches them the history behind each of the buildings, and presents fascinating facts about the design, historical use, and construction techniques. This book features pyramids built by men with pulleys, a...
