APPLIED COASTAL GEOMORPHOLOGY (PAPERBACK)

Palgrave MacMillan, United Kingdom, 1971. Paperback. Condition: New. 1971 ed.. Language: English . Brand New Book ***** Print on Demand *****.This volume is a collection of papers, preceded by an introductory essay, on coastal physiography. All the authors have made significant contributions to the subject. They are of different nationalities and the papers are, deliberately, not all recent ones. In this book emphasis has been laid primarily on matters which are of general rather than local or even regional value....

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
