## LUCIFERS ABBEY RAISING THE DEVIL

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 330 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Cherie LeClerc has been kidnapped on her sixteenth birthday, molested by a woman in the grip of an adept Satanist and transported to a foreign country. She believes she is to be sacrificed to the Devil - she's already met his leading disciple on Earth. Somehow she is linked to Peter the Hermit and the history of the Ark of the Covenant and events that followed the fall of Jerusalem at the end of the first Crusade. Saladin allowed the Ark to pass through his army encamped before the City of David's walls, too wise to take God's most precious gift to mankind under his control. Few know where the Ark will now be hidden. In Cherie's dreams are two women, the beautiful Isabella De Montferrat and a Druid Priestess in a circle of stones that's older than Stonehenge. Are they really her own former incarnations? They are the only help she will have in the darkness of her prison as her time to be sacrificed grows closer. What is it that links the ancient Druids with the eight hundred year old Torre Abbey? And why does the Excommunicated Reverend Hainsley-Sihl, the Devil's leading agent on Earth, need to reopen ancient tunnels beneath Kent's Cavern and the Abbey? Cherie LeClerc knows she has an important role to play but at sixteen what can she do against Lucifer? In order to survive and escape she will have to fight Lucifer's emissary and the awful familiar he is capable of calling into being, a creature terrifying enough to freeze her heart with a glance. If Lucifer thinks she is a walkover, he has a surprise in store! There's already been a...
