You see, there was a knock at the front door and voices talking downstairs, and Lionel thought it was the man come to see about the gas, which had not been allowed to be lighted since the day when Lionel made a swing by tying his skipping rope to the gas bracket. And then, quite suddenly, Nurse came in and said, Master Lionel, dear, they ve come to fetch you to go and be King. Then she made haste to change his smock and to wash his face and hands and brush his hair, and all the time she was doing it Lionel kept wriggling and fidgeting and saying, Oh, don t, Nurse, and, I m sure my ears are quite clean, or, Never mind my hair, it s all right, and, That ll do. You re going on as if you was going to be an eel instead of a King, said Nurse. The minute Nurse let go for a moment Lionel bolted off without waiting for his clean handkerchief, and in the drawing room there were two very grave-looking gentlemen in red robes with fur, and gold coronets with velvet sticking up out of the middle like the cream in the very expensive jam tarts. They bowed low to Lionel, and the gravest one said: Sire, your great-great-great-great-grandfather, the King of this country, is dead, and now you have got to come and be King.
