

Copper Ravens (Paperback)

By Jennifer Allis Provost

Spencer Hill Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Sara should be happy. She has what every girl wants: a man who loves her, a beautiful home, and wealth beyond imagining. She rescued her brother from the Peacekeepers, destroyed the Iron Queen, and doesn't have to go to her boring job any more. And yet Sara still doesn't know if her father is alive or dead. Her mother hides in the garden, brooding about her missing husband. Her sister, the Inheritor of Metal, is scared of her own shadow, and her brother spends his days fighting and gambling. To add to Sara's misery, the new queen (gold, of course) is more than a bit crazy, she misses her life in the Mundane world, and, worst of all, Micah wants to have children. A lot of them. As Sara wavers between happiness and homesickness, a conspiracy emerges against the Raven clan, implicating them in a plot to dethrone the Gold Queen. How can Sara prove her family's innocence, and become the consort Micah needs her to be, without losing herself in the process?.
