# INTRODUCING MODEL TRACTION ENGINE CONSTRUCTION (PAPERBACK)

Special Interest Model Books, United Kingdom, 1998. Paperback. Condition: New. Language: English . Brand New Book. Those of an engineering bent who wish to make a live steam model have a basic choice between a railway locomotive, a stationery engine, a marine engine or a traction engine in one form or another. The locomotive needs a track, the marine engine a hull and a stretch of water, but a traction engine can run on any area of reasonable ground. Coupled...
