Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

CARVING BOOTS AND SHOES WITH LARRY GREEN

[DOWNLOAD](#)

Schiffer Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Carving Boots and Shoes with Larry Green, Larry Green, Brian Lakin, Working as a part time wood carver at the Dollywood Theme Park in Pigeon Forge, Tennessee, Larry Green often has the opportunity to demonstrate carving to visitors from around the nation. hardly a day goes by without at least one visitor asking, "Why carve shoes?" The main reason, according to Larry, is the challenge of transforming a block of wood into a boot or shoe, giving it a unique design, character and personality. The shoes become works of art to which most people can relate. With step-by-step, color illustrated instructions, Larry gets the reader started on the "right foot." Five boot and shoe projects are described in detail, including a baby shoe, a work boot, a cowboy boot, a "Storm" boot, and a ski boot. A gallery includes several other styles, including the Old Lady in the Shoe's shoe.
