Information Age Publishing. Hardcover. Condition: New. 132 pages. Dimensions: 9.3in. x 6.0in. x 0.5in. Contributors to the book teach a wide array of grade levels (K through college) and subject areas (e. g. , English, social studies, math, science and health), and the quick writes included in the book are ideal for use in a variety of classroom subjects and settings. We believe that the book will find an extremely receptive audience among K-12 teachers, teacher educators preparing future teachers, and teachers and trainers of trainers involved in inservice programs and summer writing institutes. Many published resources offer lists of writing topics for classroom use; however, they lack the pedagogical approach that informs the quick write concept. Although one published quick write resource offers literary prompts for grades 5-12, we know of no other book that provides such varied examples of this particular strategy, particularly our inclusion of a wide variety of stimuli (versus the common and sole use of literary texts), and their use for a wide array of content areas (versus the usual and sole focus of EnglishLanguage Arts). CONTENTS: Introduction, Samuel Totten, Helen Eaton, Shelley Dirst, and Clare Lesieur. Editors Notes. Narratives. Self AwarenessReflection. Memories. Humor . Imagination. Description. Writing to Learn. Elements of Grammar and Literature. Point of View. Mathematics. Science. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
