Brooklands Books Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. From the earliest curvaceous coupes by Bertone, through the more aggressively styled Zagato SS to the very special TZ models and on to the final 1750 and 2000 cars, the Giulia coupes offer a remarkable variety. In the 1960s and 70s enthusiasts could delight to the sight and sound of the Alfas on the race tracks, but now that they are no longer in production, surviving examples of the Giulia coupes are greatly appreciated by those same enthusiasts. So many Giulias succumbed to the rust for which Italian cars of the 60s and 70s were notorious only makes the possession of a good example all the more desirable and this book will persuade many more people of the undoubted merits of these sporting coupes.

### Reviews

*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
