It is husbandry, then, and manufactures, commerce, and navigation, which every where, in later ages, employ, and maintain, the great body of the people. Now, the labour demanded, during the present reign, to carry forward the national bufi There is reason to believe, however, that the above enumeration did not contain the sailors of the port of London. ness, ness, agricultural and commercial, could not, by any possibility, have been performed, by the inferior numbers of the industrious classes, who doubtless existed, in the reign of King William. And from the foregoing reasonings, and facts, we may certainly conclude, with one of the ablest writers of any age, on political ceconomy: The liberal reward of labour, as...
