Rabbits carefully planned visit with Robot doesn't work out exactly as he imagined in this offbeat tale about two comically mismatched friends. Rabbit is excited: his friend Robot is coming to spend the night! Rabbit has left nothing to chance and has drawn up a list of all the things they will do. First off is making pizza, but Robot only likes nuts and bolts and screws on top (good thing he has magnetic hands). Next on the list is watching TV, but the remote is missing, and Rabbit is panicking! Will Robot find a logical (and rather obvious) solution to the problem? Number three is . . . uh-oh! Why is Robot lying down instead of playing Go Fish? And what is that message reading BAT printing out from a slot on his front? New readers who like silly stories will race through this funny adventure about a rabbit who likes to be in control and an obliging robot who calmly keeps their friendship humming.
