Wife Share Vol. 1 is an explicit and erotic how-to guide written to provide suggestions and strategic ways to approach the process of planning for your wife s first seduction by another man. Whether you both have been talking about venturing out and trying this, or as a husband who is fascinated with the fantasy, Wife Share Vol. 1 will give you a basis for some ideas about how this can be done. Written by Jonathan Atchison, an author who successfully arranged for his wife s very first surprise wife-sharing seduction, and who subsequently helped many other husbands see their wives wooed into new, unexpected and fun sexual situations. Jonathan also helps to take the stigma out of the arousal that many husbands have regarding fantasies involving seeing their wife having sex with someone else. This is actually a surprisingly normal and common fantasy that married men entertain after a few years of marriage. One which many husbands struggle with feelings of guilt quietly in isolation. The truth is that wife sharing is actually an act of selfless generosity and giving for her. The husband or partner that is comfortable giving this gift actually demonstrates a very deep level of love, caring and consideration for his partner. For those husbands that want to try to add a bit of spice to their marriage by sharing their wife, this book talks about the methods, psychology and planning to approach your wife about this topic. The author has spent the last 10 years fascinated with this theme, not only in regards to his own wife, but with how other married men feel about this, and why this fantasy seems to be a recurring topic...
