Brand New Book ***** Print on Demand *****.Do you experience social blindness and confusion? You are not alone. This book will give you tips on how to succeed socially in life. Social skills are an important aspect of life. When someone has Autism these become a barrier to many things in life from relationships to working and holding down a job. This book talks all about social skills. This book goes into some details about social thinking and the hidden curriculum that so many of us struggle to comprehend and understand. This book will help you understand the barriers your child faces when it comes to non-verbal communication. It is important that your child learns social skills but it is even more important that your child learns the social thinking skills to know how to take his or her social skills and apply them in the appropriate context of all social situations. This book is about an adult with Autism experiencing the power of social skills coaching. Social skills coaching is a treatment that is not covered by insurance companies. Travis shares how he was so frustrated with not being able to learn any social skills in counseling. Travis shares first hand how Miss Pivot helped him with social skills including social thinking, body language, non-verbal communication, facial expressions and more. Travis shares how Miss Pivot has helped him to live more independently and happy having Autism because he was able to gain the skill set to understand unwritten social rules. Body language, non-verbal communication, facial expressions, hand gestures, feet positioning and so much more are covered in this book. All of those skills are what control your ability to understand social skills...
