PROFIT MAKING: IN SHOP AND FACTORY MANAGEMENT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Profit Making in Shop and Factory Management is a concise expression of the methods which Mr. Carpenter has developed and which he constantly uses in his own practice. They have been tried and perfected under the stress of daily operation in the course of his experience as supervisor, * manager, head of the labor department, and president, of various large manufacturing plants, notably the National Cash Register Company and the Herring-Hall-Marvin Safe Company, of which latter concern he is now chief executive. The contents of the book appeared first in the form of a series of articles, prepared for and published hi The Engineering Magazine during the year . As now presented in this volume, they have been carefully revised, in some points enlarged, to a certain extent rearranged, and a modified division into chapters has been introduced. These alterations however are only hi details, adapting more effec- tively to permanent form the sections which were produced serially, and grouping them most advantageously from the closer perspective which is given to the reader of a book. The subject matter is un- changed in substance, and is even more complete than when it was first printed hi the Magazine. The study of works-management methods will be found to be marked throughout by the clear sight, the fair mind, the direct deal- ing, and the strong vitality of the author. The whole treatment is vibrant with life, the work indeed having been produced amid the incessant and insistent claims of active work hi the management of the great manufacturing company of which he is president and man- ager. It is inspired by his keen interest in the promotion of better ideals in industrial...
