Brand New Book ***** Print on Demand *****.The Mom s Guide To Saving Money on Family Travel highlights simple and actionable ways families can save hundreds of dollars by carefully planning ahead, making more informed choices, and thinking outside the box on how they do and book travel. This comprehensive guide subtly highlights the changing landscape of the travel industry. Fundamentally, it challenges readers perceptions. Understanding that mainstream media glorifies exotic and exceptionally popular destinations, which inherently limits opportunities for millions of families, The Mom s Guide To Saving Money on Family Travel asks readers to re-define travel for themselves. Rising costs and shrinking salaries threaten many families opportunities for long-distance travel, however technology and increasing competition help to level the playing field for those travelers motivated enough to adapt new strategies. The Mom s Guide to Saving Money on Family Travel shows readers where they can cut costs, thereby giving them an opportunity to travel more.
